### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

As per claims 13,17, the prior arts of record, taken alone or in combination, fail to disclose or render obvious an impulse generator in the signal generator and able to generate impulsive electrical signals having variable amplitude and having duration and periodicity determined according to characteristics of the fiber such that the modulated signals are shaped by pulses having variable Amplitude; a reflecting element at the second end of the fiber able to reflect the modulated signals and to generate reflected optical signals having a reflected modulated component; and a comparator associated with the first end of the fiber and able to measure a phase difference between the modulation signals and the reflected modulated component, in combination with the rest of the limitations of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tu T. Nguyen whose telephone number is (571) 272-2424. The examiner can normally be reached on T-F 7:30-5:30.
